

**COUNTY OF LOS ANGELES - CHIEF ADMINISTRATIVE OFFICE
FINAL STATUS OF BILLS OF INTEREST TO THE COUNTY
2001-02 LEGISLATIVE SESSION**

These are bills we have pursued in Sacramento pursuant to Board actions or as reported in bill policy memoranda.

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 20	Koretz	No Position	NOW: Appropriates \$145,000 to the California Department of Aging to conduct a Statewide survey and needs analysis to determine the geographic, cultural and structural needs for senior centers and establish funding priorities.	Vetoed
		Support and Amend to include language which would specify that the survey include ethnic diversity, language barriers, persons living in poverty and those over 85 years of age (Board Memo: 2/15/01)	PREVIOUSLY: Would have enacted the Senior Center Bond Act of 2001, which would have authorized \$225 million in general obligation bonds, upon approval by the voters on March 5, 2002, to finance acquisition, renovation, construction and purchase of equipment for senior centers, or the start-up costs of senior programs. This measure required that a Statewide survey and needs analysis be conducted prior to the allocation of funds. Local governments and nonprofit private agencies or organizations, including area agencies on aging, would have been eligible to apply for grants.	
AB 28	Pacheco, Robert	Support If Amended to delete the local match requirement (Board Memo: 4/19/01)	Would require the Secretary of State to establish a program to allocate funds to cities, counties, and other election districts to upgrade voting technologies. The bill appropriates \$300 million from the General Fund for purposes of the bill, but requires a 25 percent local match.	Died in Assembly Elections, Reapportionment and Constitutional Amendments
AB 32	Richman	Support (Board Memo: 5/7/01)	Would create the Cal-Health Program which would coordinate the Medi-Cal and Healthy Families programs by providing a simple, uniform mail-in application and enrollment process, and would expand eligibility under these programs to additional uninsured persons. The working poor and other low-income persons will be eligible for Cal-Health and to receive health care benefits either through the Medi-Cal or Healthy Families programs to the extent permitted by Federal law. Would also express legislative intent that the health care safety net be fully funded.	Died in Senate Appropriations
AB 34	Runner	No Position	NOW: Was recently amended to include technical provisions to continuously appropriate Federal monies into the Veterans' Home Fund.	Chapter 728 of 2002
		Support (Board Memo: 2/15/01)	PREVIOUSLY: Would have appropriated up to \$12 million from the Veterans' Home Fund established in FY 2000 for the construction of a veterans' home in the City of Lancaster.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 41	Washington	Support and Amend to ensure reimbursement of law enforcement, health and children's services agencies, including the medical needs of drug-endangered children (Board Memo: 2/15/01)	Creates the California Drug Endangered Child Protection Act to establish a five-year pilot program in the Office Of Criminal Justice Planning (OCJP) to provide assistance to counties to respond promptly to cases involving drug-endangered children. This measure requires the OCJP to use \$10 million of the \$30 million appropriated in the Budget Act for the War on Methamphetamine to support the pilot program. Funds would be distributed on a competitive grant basis in at least seven specified counties, one of which is Los Angeles. Counties awarded funding from this program would be required to coordinate multi-agency drug response teams under the direction of the district attorney's office or county sheriff. The language in the bill was included in AB 1614.	Died on Assembly Inactive File
AB 43	Wesson	Support (Board Action: 10/9/01)	Would require the State Commission on the Status of Women to conduct a study on gender based compensation and classification inequities in the State civil service system and higher educational institutions.	Chapter 836 of 2001
AB 48	Washington	Support (Board Memo: 5/11/01)	Would establish a three-year demonstration project to make grants available to alcohol and drug integrated treatment services networks for under-served communities and appropriate \$5 million annually to fund the project.	Died in Assembly Appropriations
AB 49	Washington	Support (Board Action: 4/17/01)	Would establish the Youth Mentoring and Safe Communities Grant Program and provide the State Librarian \$300,000 for competitive grants to fund youth programs in public libraries throughout the State that promote healthy youth development and safe communities.	Vetoed
AB 56	Shelley	Support If Amended to delete the local match requirement (Board Memo: 4/19/01)	Would require the Voting Modernization Board to award grants to counties for the purchase of updated voting systems. The bill appropriates \$200 million from State general obligation bonds for purposes of the bill, but requires a 25 percent local match.	Chapter 902 of 2001
AB 59	Cedillo	Support (Board Memo: 1/25/01)	Would deem any child determined to be eligible for free meals under the Federal School Lunch Program to have met the income eligibility requirements for participation in the Medi-Cal program. Would require county welfare departments to assist Food Stamp applicants with applying for Medi-Cal and to provide information on the Healthy Families Program to those families that do not qualify for Medi-Cal.	Chapter 894 of 2001
AB 69	Wright	County-Sponsored	Would allow the County, the County Office of Education, the Los Angeles Unified School District, the Los Angeles Community Colleges District, and the Metropolitan Transportation Authority to purchase electricity from the Los Angeles Department of Water and Power. Urgency measure.	Vetoed

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 70	Wright	Support (Board Memo: 3/6/01)	Would establish the Thermal Imaging Equipment Purchasing Program whereby the Office of Emergency Services would acquire firefighting thermal imaging equipment on behalf of local and State agencies that provide fire suppression services. The Governor deleted the \$50,000 appropriation from the State General Fund for purposes of the bill, but the measure requires the State Director of Emergency Services to seek funding from private and other sources if the State General Fund appropriation is insufficient. Participating agencies must pay 50 percent of the contract costs.	Chapter 837 of 2001
AB 81	Migden	Oppose Unless Amended to change its property tax computation and allocation provisions (Board Memo: 7/5/01)	Would require the State Board of Equalization (SBE), rather than county assessors, to assess independently-owned electric generation facilities with output capacity of 50 megawatts or more. Also prescribes methodologies for computing and allocating the property taxes collected on those SBE assessments.	Chapter 57 of 2002
AB 84	Hertzberg	Support and Amend to also exempt county auditor investigators personal information from public disclosure (Board Memo: 5/24/01)	Would include psychiatric social workers and trial court employees among the persons whose vehicle registration or driver's license record may be exempted from public disclosure. This measure would provide that a request from one of these employees to the Department of Motor Vehicles (DMV) shall be deemed to be verification of need acceptable to the DMV.	Chapter 809 of 2001
AB 86	Cardenas	Support (Board Memo: 6/21/01)	Would make permanent the Schiff-Cardenas Crime Prevention Act of 2000 (Act) which is due to sunset on July 1, 2002. The Act appropriated \$243.4 million to fund local public safety programs including the Citizens' Option for Public Safety program.	Died at Senate Desk
AB 92	Chavez	County-Sponsored	Would extend the sunset clause on the County's limited liability for transporting water in soft bottom channels for five years.	Chapter 756 of 2001
AB 109	Alquist	No Position	NOW: No longer includes financial institution employees in the class of persons mandated to report elder or dependent adult abuse.	Died in Senate Appropriations
		Support If Amended to require financial institutions to provide training for their employees in the detection and reporting of financial abuse and to consult with county APS agencies in the development of a training curriculum (Board Action: 4/17/01)	INITIALLY: Would have included specified employees of financial institutions within the definition of a mandated reporter of elder or dependent adult abuse, but only with regard to known or suspected incidents of financial abuse. This measure would have also exempted this new category of mandated reporters from liability for any cause of action to a customer or any other person for making a good faith disclosure of the information. This bill was intended to require specified employees of financial institutions to assist in the effort to minimize financial abuse suffered by many seniors.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 126	Firebaugh	County-Sponsored	Would authorize funds for a pilot project which develops increased public safety through the Developing Increased Safety through Arms Recovery Management pilot program.	Died in Assembly Appropriations
AB 130	Cardenas	Support (Board Memo: 4/30/01)	Would change the name of the State-Only Family Planning Program to the Family Planning Access Care and Treatment Program and expand it to include the provision of preventive health services to low-income women under 65 years of age, to the extent that funding for this purpose is provided by the Legislature. Would also merge existing screening programs into a comprehensive preventive health screening program for the uninsured at or below 200 percent of the Federal poverty level.	Died in Senate Health and Human Services
AB 147	Longville	Oppose (Board Memo: 6/21/01)	Would grant Sheriffs the sole and exclusive authority to ensure that the counties' equipment connecting to the Statewide telecommunications network, known as the California Law Enforcement Telecommunications System, complies with all security requirements that are or may be established by the State Attorney General.	Chapter 34 of 2001
AB 183	Longville	Support (Board Memo: 4/13/01)	Would eliminate the sunset date in current law which requires the State to pay all expenses for special elections ordered by the Governor to fill a seat in the State Assembly or Senate and the U.S. House of Representatives or Senate.	Vetoed
AB 187	Liu	Support (Board Action: 8/14/01)	Would permit the sale of Korean rice cakes that have been at room temperature for no more than 24 hours. Urgency measure.	Chapter 204 of 2001
AB 196	Correa	Oppose (Board Action: 6/12/01)	Would eliminate the requirement that 1937 Retirement Act safety members demonstrate on-the-job exposure to blood or blood products in order to qualify for service-connected disability retirements benefits for the blood-borne disease presumption and expands the workers' compensation presumptions to include blood-borne diseases.	Chapter 833 of 2001
AB 227	Dutra	No Position	NOW: Would extend the deadline for paying or delivering unclaimed property to the State Controller.	Chapter 22 of 2002
		Support (Board Memo: 3/14/01)	PREVIOUSLY: Would have extended current State law until June 30, 2008 or a later specified date to provide a dedicated source of revenue from the sales tax on gasoline for the preservation of local streets and roads without taking funds from other transportation programs.	
AB 229	Wesson	County-Sponsored	Would conform the current 30-day time limitations for verifying signatures on county initiative petitions with the 60 days allowed for Statewide measures.	Chapter 70 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 243	Runner	Support (Board Action: 5/15/01)	Would exempt jet fuel purchased at an airport located within an enterprise zone from the State portion of the Sales and Use Tax.	Died in Assembly Revenue and Taxation
AB 261	Wright	Oppose (Board Memo: 5/15/01)	Would create a new State-controlled agency to take over control and management of Exposition Park, including the Los Angeles Memorial Coliseum and Sports Arena.	Died in Assembly Appropriations
AB 280	Pacheco, Robert	County-Sponsored	Would increase the maximum number of voters in an election precinct from 1,000 voters to 1,250 voters in counties with a population of 1 million or more, subject to certain conditions.	Chapter 904 of 2001
AB 315	Dutra and Thomson	Support (Board Memo: 3/21/00)	Would exempt library districts from the property tax shift commencing in fiscal year 2001-02. Schools and community college districts would be held harmless. The hold harmless provision does not appear to apply to county offices of education.	Died in Assembly Appropriations
AB 334	Steinberg	Support (Board Memo: 7/5/01)	Would expand the community based mental health treatment program which helps severely mentally ill adults avoid homelessness. Specifically, this measure: 1) expands outreach to include families, the public, primary care physicians and others likely to come into contact with those with untreated severe mental illness who are at risk of becoming homeless; 2) provides for outreach to adults who are hospitalized due to such an illness; and 3) adds an early intervention component for those who have suffered from an untreated mental illness for less than one year, do not require the full range of services, but would be at risk of homelessness unless some services were provided.	Chapter 454 of 2001
AB 349	La Suer	Support (Board Action: 3/13/01)	Would require sex offender registrants to provide to the State Department of Justice current information such as current photo and license plate number.	Chapter 843 of 2001
AB 387	Pacheco, Robert	County-Sponsored	Would lower the legal limit of Chromium to the recommended Public Health Goal (PHG) of 2.5 ppv, and add Chromium VI to the list of substances regulated by the California Office of Environmental Health Hazard Assessment.	Died at Assembly Desk
AB 399	Havice	County-Sponsored	Would implement the memoranda of understanding entered into by the County and the labor unions during the 2000 labor negotiations.	Chapter 778 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 412	Wesson, Koretz	Support (Board Memo: 4/13/01)	Would prohibit self-service displays of tobacco products, and requires that each retail sale of a tobacco product be a vendor-assisted, face-to-face transaction. This measure also prohibits the manufacture, distribution, sale or offering of a package of cigarettes that does not contain at least 20 cigarettes, or a package of roll-your-own tobacco that does not contain at least 0.60 ounces of tobacco. Distribution of free tobacco products on private property open to the general public is also prohibited.	Died in Senate Judiciary
AB 415	Runner	Support (Board Action: 7/30/02)	Would mandate that law enforcement agencies that are informed of the abduction of a child 17 years of age or younger, utilize the State Emergency Broadcast System to interrupt television and radio programming to alert the public to information regarding the victim and suspect involved in the kidnapping, in addition to being broadcast on freeway traffic signs throughout the State. Recent amendments deleted the requirement for the Governor and the Highway Patrol to consult with the Office of Emergency Services before using the Emergency Alert System. Urgency measure.	Chapter 517 of 2002
AB 492	Oropeza	Support (Board Memo: 4/13/01)	Would allow State employees to take time off with pay to serve on precinct boards on election day, subject to certain conditions.	Chapter 780 of 2001
AB 496	Koretz	Support (Board Action: 9/4/01)	Would subject firearms manufacturers to the same liability standards as makers of other products, especially the makers of particularly dangerous products. Like any other product, if a firearm is negligently manufactured, designed, or marketed, the manufacturer would be held accountable.	Chapter 906 of 2002
AB 507	Havice	County-Sponsored	NOW: Was recently amended to delete issues which the County opposed and now instead permits the Board of Supervisors to ask LACERA to adopt a corridor funding policy for benefit enhancements.	Died on Assembly Inactive File
		Oppose Unless Amended to contain mutually agreeable provisions regarding unfunded liability and to delete provisions relating to the LACERA Board of Investments (Board Memo: 6/20/02)	PREVIOUSLY: Would permit a retirement board, at the request of the local board of supervisors, to adopt a pension liability funding plan as long as the plan is expressly part of a collective bargaining agreement covering at least two-thirds of the active members and requires the appointment by the Board of Supervisors of two additional labor-nominated members to LACERA's Board of Investments.	
		Oppose (Board Action: 6/12/01)	INITIALLY: Would have mandated inclusion of all full-time custody assistants employed by Los Angeles County in the list of employees who are entitled to safety member workers' compensation benefits.

AB 536	Bates	Support (Board Memo: 8/24/01)	Would increase the current one-to-one ratio of pharmacist technicians (PTs) to pharmacists to two PTs for each pharmacist, in outpatient pharmacies with more than one pharmacist. It would require a pharmacy with only one pharmacist to have no more than one PT performing certain non-clerical tasks.	Chapter 352 of 2001
AB 540	Firebaugh, Maldonado	Support (Board Action: 9/4/01)	Would qualify long-term California residents, regardless of citizenship status, for financial aid benefits and lower "resident" fee payments at California colleges if non-residents attended high school in California for three or more years and graduate from a California high school and pledges in writing that they have filed an application to legalize their immigration status.	Chapter 814 of 2001
AB 557	Aroner	No Position	NOW: Would eliminate the possibility of receiving the death penalty for persons determined to be suffering from mental retardation.	Died on Assembly Floor
		No Position	PREVIOUSLY: Would have enacted the Safe Hospitals Bond Acts of 2004 and 2006.	
		Support (Board Memo: 5/18/01)	INITIALLY: Would have established the Foster Parent Recruitment and Retention Program and declared legislative intent to remedy the urgent need to recruit and retain licensed foster family homes.	
AB 560	Jackson	Support and Amend (Board Action: 6/5/01)	NOW: Was amended to change the funding source for storm drain inlet filters for storm water runoff pollution from the Costa-Machado Water Bond Act to the California Integrated Waste Management Board.	Chapter 500 of 2001
		Support and Amend to broaden its applicability to include other BMPs and pollutants under the Federal Clean Air Act and require eligible recipients to agree to the vendor applying for grants on its behalf (Board Action: 6/5/01)	PREVIOUSLY: Would have amended the Costa-Machado Water Bond Act of 2000 to specify that a project that provides for the acquisition, installation, and maintenance of storm drain inlet filters that remove trash, sediment, debris, and hydrocarbons is also eligible for grant funding under the Water Bond Act of 2000. The bill would have required the State Water Resources Control Board to establish expedited procedures for approval of those projects, including distribution of a model application form for those projects.	
AB 589	Wesson	County-Sponsored	Would establish a five-year grant program to counties for property tax administration that will commence in FY 2002-03 and allocates \$60 million in each of the five years to counties based on the same schedule as the current State-County Property Tax Loan Program which sunsets at the end of FY 2001-02.	Chapter 521 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 618	Calderon	Oppose (Board Action: 4/17/01)	NOW: Gives the City of Industry significant control over tax-increment revenues by allowing the City of Industry Urban Development Agency to adopt a resolution each year designating the neighboring cities which will receive a specified portion of those tax-increment revenues that are required to be set aside for low-and moderate-income housing.	Died in Assembly Housing and Community Development
		Oppose (Board Action: 3/20/01)	PREVIOUSLY: Would have changed the administration of the low-and moderate-income housing provisions in the City of Industry Program from redevelopment law, and instead, moved it under housing authority laws which would have limited the number of persons qualifying for home-ownership programs.	
AB 640	Jackson	Oppose (Board Memo: 7/20/01)	Would require the California Coastal Commission to review every local coastal program at least once every five years to determine if it is being effectively implemented in conformity with Coastal Act policies.	Died on Assembly Floor
AB 652	Horton	No Position	NOW: Would request the Regents of the University of California to report to the Legislature concerning the university's existing and planned efforts to recruit students to its schools of medicine, dentistry, and optometry from communities and populations that are dentally and medically underserved.	Chapter 459 of 2001
		Support (Board Memo: 6/6/01)	PREVIOUSLY: Would have appropriated \$2 million to create the Health Professions Education and Outreach for Medically Underserved Communities and Populations Act. AB 1098	Havice	Support (Board Memo: 9/13/01)	Would clarify an ambiguity in current law regarding calculation of the Fire District's exemption from the Educational Revenue Augmentation Fund (ERAF).	Vetoed

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 1119	Migden	No Position	NOW: Would eliminate the requirement that in order for counties to participate in the Transitional Housing Placement Program Plus they must first agree to participate in the Supportive Transitional Emancipation Program (STEP).	Chapter 639 of 2002
	Hertzberg	Support (Board Action: 4/3/01)	PREVIOUSLY: Would have required the State Department of Social Services to establish, on a pilot basis in two counties including Los Angeles, an Internet-based health and education passport system to collect and maintain health and education records for foster care children. Also authorized emancipated foster youth to continue to receive aid under AFDC-FC or Kin-GAP following their 18 th birthday and emancipation until the child completed the educational or training program or turned 23 years old. This language with some modifications was included in Budget Trailer Bill AB 427 which was chaptered.	
AB 1129	Liu	Support (Board Action: 6/5/01)	Would authorize the juvenile dependency court, when issuing a restraining order protecting a child from certain behavior by any parent, guardian, or current or former member of the child's household, to also issue an order protecting any of the child's parents or guardians from that individual, regardless of whether the child resides with that parent or guardian.	Chapter 713 of 2001
AB 1147	Thomson	Support (Board Memo: 9/13/01)	Would appropriate \$2.6 million to the State Department of Health Services for allocation to county maternal and child health services.	Vetoed
AB 1154	Bates	Support (Board Memo: 5/16/01)	Would change the name of the Breast Cancer Control Program to the California Breast and Cervical Cancer Control Program and expands the scope of services to include cervical cancer screening and treatment and breast cancer follow-up and diagnostic services for low-income, uninsured or under-insured women, to the extent funds are appropriated for this purpose in the State Budget.	Died in Senate Health and Human Services
AB 1163	Calderon	Support (Board Action: 8/27/02)	Would require the State Auditor to audit the Water Replenishment District (WRD) operations and submit a report to the Legislature by June 30, 2004. This measure also requires WRD to develop a five-year capital improvement plan and the appointment of six experts by the Central and West Basin Water Associations to a technical committee to advise WRD on proposed projects.	Chapter 941 of 2002
AB 1176	Calderon	Oppose (Board Memo: 9/18/01)	Would provide reforms in the workers' compensation system, including accelerating life pension payments to begin earlier than under current law and provide a conclusive presumption of total dependency to a surviving parent(s).	Vetoed

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 1206	Cedillo	County-Sponsored	Expresses legislative intent to appropriate \$5 million in the Budget Act for a grant to the El Pueblo de Los Angeles Historic District for the development of the El Pueblo Cultural and Performing Arts Center.	Died in Senate Public Safety
AB 1254	Florez	Oppose (Board Action: 6/12/01)	Would mandate inclusion of local prosecutors within the safety member classification for past and future service and would make them eligible for both safety workers' compensation and retirement benefits and would stipulate that any unfunded liability that results from implementation of these provisions is to be paid by the employer.	Died in Assembly Public Employees, Retirement and Social Security
AB 1257	Cardenas	County-Sponsored	Would offer financial incentives in the form of tax credits, not to exceed \$5 million, to banks and lenders who lend to childcare providers seeking to expand or build licensed childcare facilities in areas of documented unmet need. This bill has an urgency clause.	Died in Assembly Appropriations
AB 1301	Goldberg	Support (Board Action: 7/17/01)	Would require the Los Angeles Unified School District, by January 1, 2003, to conduct a remedial health risk assessment study of the Belmont Learning Center and submit the study to the Department of Toxic Substances Control.	Chapter 947 of 2001
AB 1421	Thomson	Support in concept (Board Memo: 6/11/02) Support (Board Memo: 5/30/01)	NOW: Does the same but was recently amended to require that any additional costs incurred by implementation of an assisted outpatient treatment program will not result in reductions to a county's current voluntary mental health programs. PREVIOUSLY: Would have created a mental health assisted outpatient treatment program which would have provided treatment for certain mentally ill persons who, in view of their treatment history and present circumstances, are unlikely to survive safely in the community without supervision.	Chapter 1017 of 2002
AB 1424	Thomson	Support (Board Memo: 4/5/01)	Would reform the existing Lanterman-Petris-Short Act provisions on involuntary holds of the mentally ill by: 1) expanding the use of medical records in commitment hearings; 2) requiring law enforcement to consider historical information provided by family members in a commitment evaluation; and 3) prohibiting disability insurers, health plans and the Medi-Cal Program from conditioning eligibility on the fact that a patient was taken into custody under provisions of the Act.	Chapter 506 of 2001
AB 1450	Cardenas	Support (Board Memo: 4/3/02)	Would re-appropriate \$2 million for the Community Law Enforcement and Recovery (CLEAR) program, which is designed to combat the problem of criminal street gang violence in Los Angeles, through June 30, 2002.	Died in Senate Public Safety

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 1525	Assembly Budget	No Position	NOW: Would make adjustments to FY 2003-04 Prop 98 funding for K-12 education.	Died on Assembly Floor
	Liu	Support (Board Memo: 4/19/01)	PREVIOUSLY: Would have allowed licensed child care centers to enroll more subsidized children than the 75 percent currently permitted by law, and still qualify for funding under alternative payment programs if a waiver was granted by the State Department of Education.	
AB 1536	Cardenas	Support (Board Action: 4/3/01)	Would provide for a pilot project whereby one division of the Los Angeles County juvenile court, as selected by the Judicial Council, would be devoted solely to issues involving truancy. This measure, which sunsets on January 1, 2004, provides that the court will be staffed by a team of professionals including a district attorney, public defender, school district liaison, probation officer, mental health professional, special education expert, and a case manager, all of whom volunteer for this duty.	Vetoed
AB 1572	Briggs	Support (Board Action: 3/20/01)	Would link the Selective Service System registration with the process of applying for a driver's license or State identification card.	Died in Assembly Appropriations
AB 1587	Pacheco, Rod	No Position	NOW: Would require the County of Riverside and other entities to complete and submit to the Legislature a study and route alignment to develop an alternative to State Highway Route 91.	Died in Assembly Appropriations
		Support (Board Memo: 4/19/01)	PREVIOUSLY: Would have included transportation gridlock in the State's definition of a "state of emergency" when the average daily vehicle hours of delay exceeded 3,000 vehicle hours, which would have qualified local governments to receive State funding to relieve traffic.	
AB 1602	Keeley	Support (Board Memo: 9/18/01 and Board Action: 10/9/01)	Would enact a \$2.6 billion Park Bond which contains a number of items for the County including \$2.5 million for the County's El Pueblo de Los Angeles Historic Park and additional Roberti-Z'berg per capita funds. This bill also contains \$40 million each in funding for the Santa Monica Mountains, Lower Los Angeles River and Baldwin Hills Conservancies. The Governor's signing message indicated he intended to phase expenditures to balance State revenues and costs.	Chapter 875 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 1614	Washington, Runner	Support (Board Memo: 9/18/01)	Would allow the Office of Criminal Justice Planning to fund countywide Drug Endangered Children (DEC) Response Teams in several counties, including Los Angeles. The Response Teams, which are comprised of law enforcement, prosecution, health and/or children's services, help to combat the proliferation of methamphetamine laboratories in residential neighborhoods. DEC teams ensure that children living in homes where these dangerous drugs are manufactured receive immediate care and referrals to specialized programs.	Chapter 853 of 2001
AB 1653	Pacheco, Robert	No Position	NOW: Declares legislative intent to study the Community Redevelopment Law (CRL) and the subsequent impact of court decisions that have interpreted and built upon CRL.	Died in Assembly Housing and Community Development
		Oppose (Board Memo: 4/13/01)	PREVIOUSLY: Reinstated the redevelopment plan adopted by the City of Diamond Bar which was invalidated by the Court of Appeals by modifying the definition of "blight" under existing Community Redevelopment Law. Specifically, this measure would have loosened the definition of blight to provide that it: 1) need not consist of conditions of decay and dilapidation; and 2) may exist regardless of population or population density.	
AB 1657	Hertzberg	Support (Board Memo: 5/7/01)	Would require the State Auditor to evaluate the financial capacity of the Los Angeles County Department of Health Services to provide health care services to County residents and to coordinate audit and review activities with the State Department of Health Services, the Los Angeles County Auditor-Controller and Department of Health Services.	Chapter 195 of 2001
AB 1679	Shelley	Oppose (Board Action: 8/28/01)	Would allow a contractor to use temporary employee agency personnel or referral agency for construction work that requires a license, but would deem the contractor to be the employer of temporary personnel for purposes of wages and benefits as established under the labor code. Public works projects performed by a public agency are specifically excluded.	Vetoed
AB 1695	Aroner	Support (Board Memo: 8/31/01)	Would conform State law with recent amendments to Federal law and regulations relating to the placement of foster care children in licensed or approved homes of non-relatives and relatives and clarifies that California's approval process for the placement of foster children is the same for relatives and licensed caregivers. This bill has an urgency clause.	Chapter 653 of 2001
AB 1745	Nakano	Support (Board Action: 2/26/02)	Would require the State Emergency Medical Services Authority, in collaboration with the State Department of Health Services, to maintain a list of doctors who are trained in terrorism response.	Died in Assembly Appropriations

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 1806	Richman	Support (Board Memo: 5/17/02)	Would require the State Department of Health Services, after January 1, 2003, to exercise its Federal option to expand eligibility for Medi-Cal by maximizing the amount of resources that individuals are allowed to retain for purposes of Medi-Cal eligibility, to the extent that Federal financial participation is available.	Died in Senate Appropriations
AB 1807	Richman	Support (Board Memo: 5/17/02)	Would require the State Department of Health Services to develop a one-page joint application for the Medi-Cal and Healthy Families Programs so that children could receive services based on presumptive eligibility, to the extent that funds are appropriated in the State Budget for this purpose.	Died in Senate Appropriations
AB 1808	Richman	Support (Board Memo: 2/12/02)	Would require special training and state certification by January 1, 2005, of every physician that provides treatment and evaluation on workers' compensation cases, re-certification of physicians every two years and require the State to develop physician utilization management, quality of care, and outcome measurement data related to the treatment of workers' compensation cases.	Failed passage in Assembly Insurance
AB 1809	Richman	Support (Board Memo: 2/12/02)	Would require use of an Official Workers' Compensation Fee Schedule for all treatment provided on workers' compensation cases regardless of when the expenses are determined to be eligible for compensation and would add maximum fees for outpatient treatment and surgery to the Official Workers' Compensation Fee Schedule by January 1, 2004.	Failed passage in Assembly Insurance
AB 1816	Richman	Support (Board Memo: 5/17/02)	Would establish a pilot project in a rural county, a suburban county, and an urban county to implement a simplified applicant income verification process for Medi-Cal and the Healthy Families Participation.	Died in Assembly Appropriations
AB 1826	Migden	Oppose Unless Amended to provide State reimbursement for infertility treatments including in vitro fertilization (Board Memo: 3/26/02)	Would require every health care service plan to provide coverage of treatment for infertility on the same terms and conditions as other benefits and without lifetime caps and other restrictions and would delete the exception made in existing law for in vitro fertilization. Existing law requires health care service plans to offer coverage for the treatment of infertility, with the exception of in vitro fertilization.	Died in Assembly Health
AB 1832	Pacheco, Robert	County-Sponsored	Would clarify social workers' ability to access dependent children's medical and counseling records.	Died in Senate Judiciary
AB 1838	Hertzberg	Support (Board Action: 7/2/02)	Would increase penalties for acts of terrorism, expand the definition of weapons of mass destruction, and provide that a perpetrator who employs a weapon of mass destruction would be subject to life in State prison without the possibility of parole if the activity causes the death of a human being.	Chapter 606 of 2002

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 1839	Campbell	Oppose (Board Memo: 6/4/02)	Would limit the scope of indemnity provisions that local agencies can require of design professionals in agreements or contracts, to the negligence or the wilful misconduct of the design professional.	Died in Senate Judiciary
AB 1847	Correa	Oppose (Board Memo: 1/31/01)	Would mandate that peace officers, who develop or manifest an illness due to exposure to a biochemical substance, are provided a presumption that the illness arose out of and in the course of employment and are, therefore, eligible for a disability retirement.	Chapter 870 of 2002
AB 1865	Canciamilla	Support (Board Memo: 3/4/02)	Would, starting in FY 2004-05, cap the ERAF allocation at the prior year's level and reduce the growth allocated to ERAF by 20 percent for five years but only in "qualifying years" in which the Director of Finance certifies by November 1 that the General Fund reserve is at least 3 percent of revenues and General Fund revenues are meeting or exceeding the May Revision forecast.	Died in Assembly Appropriations
AB 1875	Nakano	Support (Board Action: 2/26/02)	Would amend the California Corporations Code to allow the dissolution of a corporation which has not issued shares or commenced doing business by simply filing a form with the Secretary of State.	Chapter 390 of 2002
AB 1926	Horton	County-Sponsored	Would allow an owner of property containing a racially or unlawfully restrictive covenant to have the covenant stricken in a newly recorded deed without approval from the Department of Fair Employment and Housing.	Chapter 803 of 2002
AB 1947	Washington	Support and Amend to require drug testing as a treatment component and allow continuing eligibility after successful program completion(Board Action: 7/16/02)	Would permit those convicted of a felony and enrolled in a Proposition 36 drug treatment program to be eligible for food stamps. Under current State law, an individual is not eligible for assistance under the food stamps program if convicted of certain felonies related to controlled substances. This measure is intended to provide transitional assistance only for the duration of participation in a Proposition 36 drug treatment program, which is limited to 18 months.	Vetoed
AB 1990	Liu	Support (Board Action: 8/20/02)	Would expand the list of profit-motivated felonies for which a gang member's assets could be seized by including active participation in a street gang, or other felony convictions when they include an enhanced sentence for gang related crimes.	Chapter 991 of 2002

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 2006	Cedillo	Oppose (Board Memo: 6/20/02)	NOW: Would prohibit a public agency from changing the benefits provided to former non-represented employees who elect to become represented employees, unless the union agrees. The provisions are retroactive to July 1, 2001.	Chapter 1041 of 2002
		Oppose (Board Memo: 2/27/02)	PREVIOUSLY: Would have amended the Code of Civil Procedure to require binding arbitration of disputes between the County of Los Angeles and physicians, dentists and safety officers employed by the County. This measure would have replaced impasse procedures in the County's Employee Relations Ordinance to resolve disputes and provided for these new employee groups to unilaterally initiate binding arbitration.	
AB 2036	Liu	No Position	NOW: Would reinstate ability of taxpayers to contribute amounts in excess of their tax liability to the State Children's Trust Fund by designation on their tax returns.	Chapter 647 of 2002
		County-Sponsored	PREVIOUSLY: Would have authorized the county board of supervisors to instruct the county auditor to calculate the interest payments on property tax refunds as a separate payment upon which interest accrues, beginning in FY 2004-05, and be calculated by treating each property tax installment payment as a separate payment upon which interest accrues.	
AB 2075	Chavez	Support (Board Memo: 3/12/02)	Would expand the requirement for a convicted defendant to pay the reasonable costs incurred by a probation department when providing services to include paying for the reasonable cost of pretrial monitoring, investigation and reports, and post sentence investigations and reports prepared or conducted by a county probation department.	Chapter 919 of 2002
AB 2100	Simitian	Support and Amend to delete provision which makes funding contingent on an approved housing element (Board Memo: 8/19/02)	NOW: Still does the same but was amended to make receipt of funding by a local government contingent on having a housing element approved by the Department of Housing and Community Development.	Died in Senate Appropriations
		Support (Board Memo: 3/4/02)	PREVIOUSLY: Would have, starting in FY 2005-06, capped the ERAF allocation at the prior year's level and reduced the growth allocated to ERAF by 10 percent for five years but only in "qualifying years" in which the Director of Finance certified by November 1 that the General Fund reserve was at least 3 percent of revenues and General Fund revenues were meeting or exceeding the May Revision forecast.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 2123	Koretz	Oppose (Board Memo: 3/19/02)	Would require the Los Angeles County Board of Supervisors to increase membership on the Board of Investments from 9 to 11 and mandate that any year the County's retirement fund assets exceed \$20 billion and excess earnings exceed 1 percent of the total assets (when the funding ratio exceeds 90 percent), that 75 percent of the excess earnings must be used to fund increased or new retirement benefits that have been negotiated between the Board of Supervisors and employee organizations.	Died on Assembly Inactive File
AB 2131	Leonard	No Position	NOW: Would allow for the repayment of all advanced disability pension payments made to individuals should their disability application be denied.	Chapter 877 of 2002
		Oppose (Board Memo: 5/17/02)	PREVIOUSLY: Would have provided that dependants of law enforcement and firefighting employees in public service, who contracted a blood-borne disease as a result of exposure to the employee, shall be compensated for the duration of the disease for all medically necessary health care costs associated with the disease.	
AB 2154	Pacheco, Robert	Support (Board Memo: 6/13/02)	Would delete the January 1, 2003 sunset date for the Expedited Youth Accountability Program, which allows peace officers and probation officers to cite a juvenile directly to the Informal Juvenile and Traffic Court for any misdemeanor except crimes involving firearms, violence or sex, and extend the program indefinitely.	Chapter 110 of 2002
AB 2165	Strom-Martin	Support (Board Action: 5/14/02)	Would require the Joint Legislative Sunset Review Committee to review the State's shortage of pharmacists and make recommendations on a course of action to alleviate the shortage.	Chapter 577 of 2002
AB 2185	Chavez	Support and Amend to exempt appointees employed by local agencies from the provisions of Section 13388 of the Water Code (Board Action: 4/16/02)	Would modify the existing structure of the Los Angeles Regional Water Quality Control Board to include public agency representation by requiring the Governor to appoint six persons who meet prescribed requirements and three local public officials to the Board. Of the remaining three members, one must be a mayor or council member, one must be a supervisor and one must be a board member of a sanitation district.	Died in Assembly Appropriations
AB 2214	Keeley	Support and Amend to request the State Department of Health Services to address the low-level radioactive waste issue (Board Action: 4/2/01)	Would: 1) prohibit the State Department of Health Services from issuing a license for the disposal of low-level radioactive waste unless it is determined that the design and operation of such a facility meets specified requirements; 2) prohibit the proposed Ward Valley site from serving as the State's facility for disposal of nuclear waste and prohibit the State from accepting ownership or other property rights to the Ward Valley site; and 3) set stringent design criteria on future low-level radioactive disposal sites in the State.	Chapter 513 of 2002

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 2238	Dickerson	Support (Board Memo: 6/7/02)	NOW: Still prohibits a person from knowingly posting personal information about any elected or appointed official on the Internet and would create an advisory task force to determine how to protect public safety officials' home information. The task force will include State enforcement agencies, judicial and legal communities, State recorders and assessors and the business community involved in real estate transactions.	Chapter 621 of 2002
		Support (Board Action: 4/2/01)	PREVIOUSLY: Would have prohibited any State or local agency from posting the home address or telephone number of any public official, their spouse or children who reside with the public official, on the internet and prohibited an assessor's office from allowing the public to search their records using an assessee's name.	
AB 2251	Nation, Migden	Support (Board Memo: 5/7/02)	Would appropriate \$200,000 for sudden oak death management and regulatory activities to enforce quarantine and pest abatement by local agencies in infected areas.	Chapter 854 of 2002
AB 2308	Chavez	Support (Board Memo: 8/29/02)	Would allow jurisdictions to deduct inert waste deposited in a surface mining operation from their waste stream if this activity complies with a reclamation plan.	Chapter 993 of 2002
AB 2314	Thomson	Support (Board Memo: 6/28/02)	Would require the Chancellors of the California Community Colleges and California State University to standardize nursing prerequisites and enter into transfer agreements among all community college and State university nursing programs, which is part of the Governor's Nurse Workforce Initiative.	Chapter 1093 of 2002
AB 2333	Nakano	Support (Board Action: 6/25/02)	Would require the Southern California Association of Governments to: 1) include in its transportation planning a fair share methodology that encompasses both the burdens and benefits of commercial aviation among the counties of Los Angeles, Orange, San Bernardino, Riverside, Ventura and Imperial, based on an assessment of future passenger and cargo demand; and 2) adhere to the principles of environmental justice in the applicable state laws in the development of the Aviation Plan.	Vetoed

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 2415	Keeley	Support (Board Memo: 4/19/02)	Would permanently eliminate the monthly reporting requirements in the CalWORKs and Food Stamp Programs and replace them with quarterly reporting and prospective budgeting requirements. Also requires the State Department of Health Services (SDHS) to develop and print an information and referral form for distribution to recipients of benefits under the Medi-Cal program that contains referral information regarding support services funded by block grants made pursuant to the Federal TANF program, including, but not limited to, child care. TANF recipients who receive the referral form from SDHS would be automatically eligible for food stamps.	Died in Assembly Appropriations
AB 2424	Goldberg	Support (Board Action: 8/27/02)	Would authorize a school district to form a district-wide school construction authority to assume responsibility for school construction.	Vetoed
AB 2514	Bates	Support (Board Action: 8/13/02)	Would require the State Departments of Social Services and Alcohol and Drugs Programs to establish a joint committee to study the issues related to substance abuse in families participating in child welfare programs, as well as the options available for substance abuse treatment and assistance to these families. It would also require the committee to develop a plan to make services available to these families.	Vetoed
AB 2534	Pavley	Support if Amended to add the word 'local' before 'public agencies', delete the word 'loan', and make funds available to improve public facilities and other features of beaches that contribute to beach cleanliness and public safety (Board Memo: 7/25/02)	NOW: Still does the same but was recently amended to eliminate loans leaving only grant programs, and to add an urgency clause. PREVIOUSLY: Would have enacted the Watershed, Clean Beaches, and Water Quality Act to implement the "Clean Beaches, Watershed Protection and Water Quality" section of Proposition 40, and appropriated approximately two-thirds of the bond funding provided by that section of the Proposition. The bill provided for a program of grants and loans to public agencies and nonprofit organizations for projects designed to improve water quality at public beaches, improve water quality monitoring and sewer capability, protect water quality by reducing runoff pollution, and control non-point source water pollution. This measure also prescribed project selection criteria and procedures.	Chapter 727 of 2002
AB 2545	Nation	Oppose (Board Action: 7/2/02)	Would require written notice to be provided ten days prior to a pending inspection of residential rental property.	Died in Senate Housing and Community Development

Died in Assembly Appropriations

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 2596	Longville	No Position	NOW: Would make changes, both technical and substantive, to SB 1156 (Burton) which establishes a procedure for the resolution of agricultural labor contract disputes by mandatory mediation and conciliation.	Chapter 1146 of 2002
		Oppose (Board Memo: 8/29/02)	PREVIOUSLY: Would have required reporting of election results, including absentee ballots, by precinct.	
AB 2611	Richman	Support (Board Memo: 4/9/02)	Would address several areas of reform to the current workers compensation system concerning qualifications, use and training of medical evaluators, the schedule for assessing the level of disability and factors used for determining compensation for an injury.	Failed passage in Assembly Insurance
AB 2641	Leonard	Support (Board Memo: 4/3/02)	Would cap ERAF transfers at their FY 2000-01 level and transfer the growth to an Emergency Response Augmentation Fund for Local Public Health and Safety to be allocated among local agencies proportionate to their share of the county's ERAF, to be used for public health and safety. The bill does not have an MOE requirement or an anti-supplanting provision.	Died in Assembly Local Government
AB 2700	Mountjoy	Oppose (Board Memo: 4/9/02)	Would relax the State's motorcycle helmet law by allowing a person who is 18 years of age or older to operate or be a passenger on a motorcycle without a helmet if they have proof of at least \$1 million in medical insurance. Also requires helmet use by those 20 years of age or less, instead of 17, and allows a person 21 years of age or older, instead of 19, to operate or be a passenger on a motorcycle without a helmet if they have proof of at least \$1 million in medical insurance.	Failed passage on Assembly Floor
AB 2704	Aroner	Support (Board Memo: 3/26/02)	Would authorize the Department of Water Resources to establish a flood control and urban creek restoration program; and include and define "adaptive management" as necessary to protect the integrity of restoration projects, and to meet flood damage reduction and flood plan acquisition, ecological, urban fisheries restoration, and recreation objectives; and require that one-half of the annually available grant funds be allocated to small urban creek projects and one-half to large urban creek projects.	Chapter 956 of 2002
AB 2712	Aroner	Oppose (Board Memo: 3/26/02)	Would require general acute care hospitals, acute psychiatric hospitals, and special hospitals to provide minimum respiratory care practitioner-to-patient ratios in specified hospital units. Would also require a minimum of one respiratory care practitioner for every 50 patients or fraction thereof, and that the hospitals adopt written policies and procedures for training and orientation of respiratory care practitioner staff.	Died in Assembly Health

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 2726	Washington	Support (Board Action: 5/14/02)	Would provide \$6 million from Prop 40 funds to the City of Compton for the purpose of assisting in the maintenance, preservation and beautification of portions of Compton Creek located within the City.	Died in Assembly Appropriations
AB 2729	Wesson	Support (Board Action: 4/23/02)	Would allow direct cash payment from the Victims of Crime Fund to reimburse domestic violence peer counselors to assist victims of domestic violence and would increase the current reimbursement rate for peer counseling services provided by a rape counseling center.	Vetoed
AB 2732	Washington	County-Sponsored	Would require that by January 1, 2007, all businesses using automatic checkout systems ensure that the price of goods sold through automatic checkout systems matches the displayed price and that the price is conspicuously displayed to the customer. Also authorizes the county sealer to impose a penalty of up to \$1,000 for each violation, with the revenues from the penalties being used to offset county sealer enforcement costs.	Chapter 818 of 2002
AB 2747	Wesson	Support (Board Action: 7/16/02)	Would provide a wage-based tax credit for film, television and commercial production companies that keep at least 50 percent of production in California, with total production wages ranging between \$200,000 and \$10 million.	Failed Passage in Senate Appropriations
AB 2770	Mathews, Bogh	Support (Board Memo: 7/25/02)	Would modify certain definitions relating to solid waste; require the State Integrated Waste Management Board (SIWMB) to establish programs for research, demonstration, evaluation, and promotion of new and emerging technologies that can convert residual solid waste into new sources of energy, alternative fuels, and other useful products; require the SIWMB to convene an Interagency Conversion Technologies and Biomass Task Force to coordinate related State agency activities; authorize the diversion of up to 10 percent of solid waste to a permitted conversion facility; and establish a number of reporting requirements.	Chapter 740 of 2002
AB 2777	Nation	Support (Board Memo: 6/11/02)	NOW: Still does the same, but was amended to include Los Angeles County in the bill.	Chapter 373 of 2002
		Support and Amend to include Los Angeles County in the bill (Board Action: 4/30/02)	PREVIOUSLY: Would have permitted boards of supervisors in Marin and Santa Barbara counties to extend survivor benefits to eligible employees' domestic partners that are currently available to married couples. Also provided that the parties have a domestic partnership registered with the Secretary of State and that the county may also require that the member and the member's domestic partner have an Affidavit of Domestic Partnership, in the form adopted by the county board of supervisors, on file with the county for at least one year prior to the member's retirement or death prior to retirement.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
AB 2835	Longville	Support (Board Memo: 5/10/02)	Would state legislative intent to allow counties to assert a lien for the cost of health care against additional types of recoveries that injured patients receive from the party responsible for the injury, including settlement, compromise, arbitration award or mediation settlement.	Died at Senate Desk
AB 2889	Shelley	Oppose (Board Memo: 3/12/02)	Would mandate creation of an agency shop for all non-supervisory recognized public sector bargaining units. No election would be necessary, but an election would have to be held to rescind an agency shop. This measure would revise the Meyers-Milias-Brown Act by eliminating the petition and election process.	Died in Assembly Public Employees, Retirement and Social Security
AB 2908	Goldberg	No Position	NOW: Was recently amended to return authority to the County's Employee Relations Commission to rule on local employee organization actions concerning the MMBA.	Chapter 1137 of 2002
		Oppose Unless Amended to exempt LA County from its provisions (Board Memo: 4/5/02)	PREVIOUSLY: Would have amended the Meyers-Milias-Brown Act (MMBA) to allow employee organizations to violate rules adopted by local public agencies, which the organizations believe are in violation of the MMBA, without committing an unfair labor practice. This change would have, in effect, transferred the authority to determine the legality of local agency rules and regulations from the County's Employee Relations Commission to the State Public Employee Relations Board.	
AB 2926	Longville	No Position	NOW: Would require the LAO to study the distribution of food stamps in San Bernardino County and report the results to the Legislature. The original language was included in County-supported AB 2415 (Keeley) which implements quarterly reporting and prospective budgeting in the CalWORKs and Food Stamps Programs.	Died on Senate Inactive File
		Support (Board Memo: 4/19/02)	PREVIOUSLY: Would have required the California Department of Social Services (CDSS) to seek a Federal waiver under the Food Stamp Program to allow counties to exercise maximum flexibility to administer the Food Stamp Program, the CalWORKs program and the California Food Assistance Program by using quarterly reporting and a prospective budgeting system, upon approval by CDSS.	
ACA 10	Cogdill	Support (Board Memo: 6/21/01)	Would phase out county, city and special district contributions to ERAF commencing in FY 2002-03. For FY 2002-03, local agencies would contribute only 80 percent of the amount contributed in FY 2000-01, and by FY 2010-11, local agencies' contributions to ERAFs would be completely eliminated.	Died in Assembly Appropriations

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
ACR 96	Havice	Support (Board Action: 8/28/01)	Would dedicate the interchange where State Highway Route 105 meets State Highway Route 605 to the memory of former State Assemblyman Joe Gonsalves, by specifying that this interchange be known as the Joe A. Gonsalves Memorial Interchange.	Resolution Chapter 129 of 2001
ACR 174	Wayne	Support (Board Action: 4/2/02)	Would proclaim the month of May as "Women's Health Month" by the Legislature of the State of California.	Resolution Chapter 64 of 2002
AJR 5	Strom-Martin	Support (Board Action: 5/29/01)	Would continue to fund the Coast Guard's operational readiness to conduct search and rescue activities that benefit the State's recreational boaters.	Resolution Chapter 67 of 2001
AJR 31	Thomson and Cardoza	Support (Board Action: 3/19/02)	Would memorialize the President and Congress of the United States to enact legislation to provide funds to states and local governments to provide the necessary security and relief measures to protect local citizens from terrorism.	Resolution Chapter 61 of 2002
SB 2	Murray	No Position	NOW: Was recently amended to deal with personal services contracts.	Died in Assembly Arts, Sports, Entertainment, Tourism and Internet Media
	Knight	Support (Board Memo: 2/15/01)	PREVIOUSLY: Would have appropriated up to \$12 million from the Veterans' Home Fund established in FY 2000 for the construction of a veterans' home in the City of Lancaster. The expenditure of the \$12 million was contingent upon matching Federal dollars. Urgency measure.	
SB 3	Perata	No Position	NOW: Was recently amended to define cumulative contributions as it relates to the Political Reform Act of 1974.	Died in Assembly Appropriations
	Brulte	County-Sponsored	PREVIOUSLY: Would have required identification of the candidate, committee or organization that authorized or paid for telephone campaign messages. This measure required disclosure during or at the end of the call and defined mass mailing as material delivered by any means if over 200 similar pieces are distributed.	
SB 10	Soto	Support (Board Memo: 3/27/01)	Would change the sunset date, from January 1, 2002 to January 1, 2005, on the Safe Routes to School construction program, thereby permitting the continued use of Federal transportation funds for grants to local governments for various programs including: Rail-Highway Crossings, Pavement Marking Demonstration Program and Bicycle and Pedestrian Safety and Traffic Calming projects.	Chapter 600 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 18	Alarcon	No Position (Board Memo: 1/31/02)	NOW: Was recently amended to require an unspecified entity, in consultation with the MTA, the County of Los Angeles, and others, to study the membership and governance structure of the MTA.	Chapter 538 of 2002
		Oppose (Board Memo: 1/8/02)	PREVIOUSLY: Would have reduced Los Angeles County Board of Supervisors' representation on the MTA Board from five to three members.	
SB 59	Escutia	No Position	NOW: Would require the advisory panel to the Managed Risk Medical Insurance Board to consider innovative methods available under SCHIP to address the needs of vulnerable children, including immigrant and homeless children, and report its recommendations to the Board and the Legislature by July 30, 2003.	Chapter 800 of 2002
		Support (Board Memo: 4/30/01)	PREVIOUSLY: Would have authorized demonstration projects under the Healthy Families Program to provide health care coverage for immigrants, the homeless, people with HIV/AIDS, and other populations facing health disparities, to the extent that Federal financial participation was obtained.	
SB 71	Burton	Oppose (Board Memo: 8/31/01)	Would increase workers' compensation benefits, add some elements of reform and improve administration in the workers' compensation system. However, the elements of reform and the administrative improvements would not result in sufficient savings to offset the approximately \$50 million per year in increased benefit costs to the County.	Vetoed
SB 74	Speier	Support (Board Memo: 3/21/00)	Would permit a county, city or city and county to provide up to 3 percent of their ERAF obligation to dependent and independent library special districts but excludes community college districts from the ERAF reduction. This measure was joined with County-supported SB 94 (Torlakson and Figueroa).	Died in Assembly Appropriations
SB 94	Torlakson and Figueroa	Support (Board Memo: 3/21/00)	Would permit a county, city or city and county to provide up to 3 percent of their ERAF obligation to a county general fund library beginning in FY 2003-04. This measure was joined with County-supported SB 74 (Speier).	Died on Assembly Inactive File
SB 171	McClintock	Support (Board Memo: 4/5/01)	Would include transportation gridlock in the State's definition of a "state of emergency" when the average daily vehicle hours of delay exceeds 3,000 vehicle hours. Caltrans would have to determine the average daily vehicle hours of delay for each highway in the State and rank each highway. By including transportation gridlock in the definition for a "state of emergency" and identifying which highways qualify for the emergency, local governments would have access to State funding to relieve traffic congestion.	Died in Senate Transportation

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 211	Torlakson	Oppose (Board Memo: 8/31/01)	NOW: Still does the same but was recently amended to also repeal existing time limits on incurring new debt. Recent amendments did not include the ones requested by the County.	Chapter 741 of 2001
		Oppose Unless Amended to limit the extended receipt of tax increment financing to only those specific properties containing significant blight and require plan amendment to be approved by the State Director of Finance and the county in which the project is located (Board Memo: 5/3/01)	PREVIOUSLY: Would have allowed a redevelopment agency, under specified conditions, to adopt a plan amendment and extend by ten years an agency's ability to incur debt and receive tax increment financing on aging projects. This measure is intended to address those situations where, even after extensive effort and significant expenditures, pockets of blight persist within aging redevelopment projects. However, the measure is written in a manner that allows unilateral extension of older projects and would apply to the entire project rather than just those pockets of persistent blight. This would result in unwarranted diversion of tax increment from other taxing entities, including the County.	
SB 223	Burton	Support (Board Memo: 3/14/01)	NOW: Amendments were taken to conform with County needs and include in the definition of a drug treatment program one operated by the Veterans Health Administration. Urgency measure.	Chapter 721 of 2001
		Support if Amended to delete language which: infringes on the court's authority and also could impose responsibilities upon counties for State parolees; requires the County Alcohol and Drug Administration to chair the County's Prop 36 Implementation Task Force; and establishes a cumbersome grant process (Board Memo: 3/14/01)	PREVIOUSLY: Provided an appropriation from the State General Fund for a system of grants to counties to meet the drug testing requirements associated with the implementation of Proposition 36. This measure was recently amended to appropriate \$9.6 million from the General Fund for grants to counties to pay for drug testing, and \$8 million from the Federal Substance Abuse Prevention and Treatment Block Grant to be used by the State Department of Drug and Alcohol Programs for drug testing and other uses. SB 223 expanded the types of activities that constituted drug-related probation and parole violations, required proof that a person is unamenable to all forms of drug treatment and eliminated the requirement that the person prove there is a drug treatment to which they are amendable. The Governor deleted the \$9.6 million General Fund appropriation.	
SB 224	Speier	Support (Board Memo: 5/16/01)	Would create the California Breast and Cervical Cancer Treatment Program to provide breast and cervical cancer treatment to low-income uninsured and under-insured women with a family income at or below 250 percent of the Federal poverty level.	Died in Assembly Appropriations

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 228	Machado	Support (Board Memo: 5/7/01)	Would require the State Board of Corrections to administer and award grants on a competitive basis to counties that establish or expand substance abuse treatment programs for alcohol or drug addicted adults who are incarcerated and likely to recidivate or be committed to State prison. This measure appropriates \$50 million for this program. To be eligible for a grant, each county would be required to establish a multi-agency strategy committee to develop a comprehensive plan for a cost-effective continuum of substance abuse treatment for incarcerated adults.	Died in Senate Appropriations
SB 237	Vincent	Support (Board Action: 5/15/01)	Would require the Department of Motor Vehicles (DMV) to include information in their handbooks at the earliest opportunity the handbook is revised, about the law prohibiting the abandonment or dumping of animals, and authorizes the DMV to have at least one question in the driver's test about the law.	Chapter 300 of 2001
SB 238	Kuehl	County-Sponsored	Would authorize the County to construct and operate a new regional library for the East San Gabriel Valley at Schabarum Regional Park and make it possible to use State bond funds for the project.	Chapter 967 of 2002
SB 249	Chesbro	County-Sponsored	Would extend the number of days from 30 to 180 that a parent or other relative caregiver can continue to receive aid under CalWORKs while being temporarily absent from a minor child, in an effort to maintain a home for that child for eventual family reunification. This language was included in Budget Trailer Bill AB 429 which was chaptered.	Died in Senate Appropriations
SB 259	Murray	Support if Amended to limit the Conservancy's surplus property acquisition power (Board Memo: 5/30/01)	NOW: Still does the same, but needs to be amended to limit the Conservancy's ability to acquire surplus property at cost. Also amended to include Ballona Creek and property within 50 yards of the Creek within the Conservancy.	Chapter 3 of 2002
		County-Sponsored	PREVIOUSLY: Would have: 1) reduced the Baldwin Hills Conservancy's oversight of existing and future operating contracts between the State and County Parks and Recreation; 2) provided for a member of the Board of Supervisors to sit on the Conservancy's Board; and 3) deleted Ballona Creek from the Conservancy's territory.	
SB 304	Karnette	Support (Board Memo: 4/19/01)	Provides the County with partial relief from the statutes governing the mandatory retirement age for an Assistant Sheriff and a Chief Sheriff whose primary duties are administrative.	Chapter 33 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 307	Vasconcellos	Support (Board Action: 9/25/01)	Would create, until July 1, 2004, the California Japantown Preservation Pilot Project, which would require the State Librarian to provide a one-time grant to the Cities of Los Angeles and San Jose and the City and County of San Francisco for funding of development, adoption and/or implementation plans for preservation of the existing Japantowns.	Chapter 879 of 2001
SB 308	Escutia	No Position Support (Board Memo: 5/11/01)	NOW: Was amended to address employee assistance programs. PREVIOUSLY: Required the State Superintendent of Public Instruction to submit to the Legislature by January 1, 2003, a plan for providing high quality child care and development services for all individuals who meet the income eligibility criteria by 2006. Also stated legislative intent that: 1) the State offer incentives to encourage the expansion of services for infants and toddlers during the next five years; 2) all families have access to high quality child care and development services; and 3) subsidized child care services be of high quality.	Died in Assembly Human Services
SB 317	Ortiz	Support (Board Memo: 5/3/01)	Would create the Registered Nursing Enhancement Grant Program to award grants to accredited colleges and universities that provide registered nursing programs and specialty training for RN students. It would also create the Registered Nursing Loan Forgiveness Program to provide loans to RN students or graduates that can be forgiven under specified conditions.	Died in Senate Appropriations
SB 322	Ortiz	Support (Board Memo: 4/3/01)	Makes it a misdemeanor to sell, offer for sale, distribute, or import any tobacco product commonly referred to as "bidis" or "beedies," unless the product is sold, offered for sale, or intended to be sold in a business that excludes minors from its premises.	Chapter 375 of 2001
SB 327	Scott	Support (Board Action: 6/12/01)	States legislative intent to provide State funding to the California State University for development of a bioscience center in Pasadena.	Chapter 403 of 2001
SB 340	Speier	Support (Board Memo: 8/24/01)	Would authorize a pharmacist filling a prescription order for a drug product to select a different form of equivalent medication when the change would improve the ability of the patient to comply with the prescribed drug therapy.	Chapter 631 of 2001
SB 361	Soto	Oppose (Board Memo: 9/13/01)	Would provide a disability retirement presumption for blood-borne diseases contracted by health care workers employed by 1937 Act Counties.	Vetoed

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 383	Burton	Oppose (Board Memo: 3/6/01)	Would require binding arbitration of disputes between public employers and physicians, dentists and safety police officers. This bill would replace current impasse procedures in the County's Employee Relations Ordinance (ERO) which provides detailed impasse procedures to resolve disputes. This measure also provides that only the union can request binding arbitration.	Vetoed
SB 390	Escutia	Support (Board Memo: 3/27/01)	Would require the State Department of Education, in collaboration with various agencies, to develop a California Child Care and Development Master Plan to guide the State's efforts to help families and local communities meet their child care and development needs. States legislative intent to appropriate \$140,000 for the development of the Plan if \$140,000 is received from non-State sources.	Vetoed
SB 402	Ortiz	Support (Board Memo: 3/29/01)	Would provide that upon implementation of the federal State Child Health Insurance Program waiver for the Healthy Families Program, women who are receiving pregnancy-related and postpartum services under the Medi-Cal Program shall be eligible for the full scope of Medi-Cal benefits without a share of cost. Also provides Medi-Cal eligible legal immigrants to be eligible for full scope of benefits with no-cost during pregnancy and for 60 days after the pregnancy. The provisions of this bill were included in SB 120 (Ortiz).	Died in Assembly Health
SB 424	Burton	Oppose (Board Action: 6/12/01)	Would create a job-related presumption for workers' compensation for law enforcement personnel who have been required to wear a duty belt and develop injuries or impairment of the lower back.	Chapter 834 of 2001
SB 441	Sher	Oppose (Board Memo: 8/23/02)	Would limit the solid waste diversion credit currently allowed for the use of various kinds of waste, including green waste, construction debris, and demolition materials, as daily cover at landfills.	Vetoed
SB 457	Scott	No Position	NOW: Would require the Board of Governors of the California Community Colleges to establish and fund a learning community services pilot program based at no more than eight college districts.	Died in Senate Education
		Support (Board Memo: 5/3/01)	PREVIOUSLY: Would have required State universities and community colleges to: 1) standardize all nursing program prerequisites on a Statewide basis; 2) enter into Statewide transfer agreements; and 3) create and implement a Statewide nursing program vacancy information system.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 510	Scott	Support (Board Action: 7/2/02)	Would make it a misdemeanor to knowingly possess weapons, replica weapons, parts of weapons, ammunition, unauthorized tear gas weapons, any taser or stun gun, or any instrument that expels a metallic projectile including marker guns and paint guns, within secured areas of an airport where the access is controlled by inspection, or where inspections are conducted.	Chapter 608 of 2002
SB 518	Dunn	Support (Board Memo: 4/25/01)	Would provide an unspecified percentage reduction in the expenditure MOEs of 20 counties still required to contribute financially to the operations of courts within their jurisdictions. Los Angeles County contributes \$175 million, or approximately 37 percent. The bill further provides an unspecified appropriation in the State General Fund to hold the courts harmless.	Died in Senate Judiciary
SB 534	Ortiz	Support (Board Memo: 3/29/01)	Would extend Medi-Cal eligibility to independent adults whose income is at or below 200 percent of the Federal poverty level. An independent adult is defined as a person over 18 and under 65 years of age, not pregnant, without children in the home and neither blind nor disabled. This bill requires the State Department of Health Services to seek Federal waivers to maximize the Federal reimbursement for services provided to independent adults. It would become effective on July 1, 2002.	Died in Senate Appropriations
SB 551	Machado	Support (Board Memo: 9/18/01)	Would authorize the State to reimburse counties, at the request of the board of supervisors, for mental health services provided as a direct result of the September 11, 2001 terrorist attacks. These services include group mental health counseling and assistance in promoting tolerance for those whose national origin or religion may be targets of discrimination. Urgency measure.	Chapter 346 of 2001
SB 574	Alarcon	No Position	NOW: Would authorize the Insurance Commissioner to require specified insurers to report information concerning certain community development investments.	Died in Assembly Insurance
	Polanco	Support (Board Memo: 5/3/01)	PREVIOUSLY: Would have enacted the Juvenile Facility Capital Expenditure and Bond Act of 2002 intended for the March 5, 2002 election, which would have provided \$400 million to finance the construction of county juvenile facilities. The bond funds would have been allocated on a competitive basis for renovation, reconstruction, construction, replacement and deferred maintenance of county juvenile facilities that are used for the treatment, rehabilitation and punishment of juvenile offenders.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 600	Torlakson	Oppose Unless Amended to delete language which negatively amends the current blight standards in Redevelopment Law (Board Memo: 4/13/01)	Would: 1) require the Governor's Office of Planning and Research to convene a task force to propose best practices guidelines for transit village planning and design; 2) expands the definition of transit village to include areas within one-half mile radius of a transit station; and 3) exempts transit villages from meeting the physical and economic criteria of blight in order to qualify as redevelopment areas.	Died in Senate Appropriations
SB 620	Ortiz	Support (Board Action: 4/17/01)	Would establish the California Suicide Prevention Act of 2001 and require the State Department of Mental Health to develop and submit to the Governor and Legislature by May 1, 2002, a Statewide comprehensive suicide prevention strategic plan.	Died in Assembly Appropriations
SB 623	Escutia	Support (Board Memo: 5/15/01) Support and Amend to clarify court ownership issue (Board Memo: 5/15/01)	NOW: Still does the same but was amended to conform with County needs. PREVIOUSLY: Would have appropriated \$1,008,235 for first year costs to begin the process of site selection, design, planning and preconstruction of a 116,000 square foot courthouse for 12 courtrooms to replace existing court facilities in Huntington Park/South Gate.	Died in Senate Appropriations
SB 632	Perata	No Position Support (Board Memo: 4/5/01)	NOW: County-supported provisions were amended out of the bill. PREVIOUSLY: Would require the State Department of Mental Health to implement the recommendations of the Long-Term Care Mental Health Innovation Work Group when those recommendations become available. The Budget Act of 2000 required the establishment of the Work Group with representation from stakeholders to develop options and recommendations on improving existing models of community-based long-term care and develop alternative treatment models for community-based long-term care.	Died in Assembly Health
SB 657	Scott	Support (Board Action: 2/19/02)	Would conform State income and corporation tax laws with provisions of the Federal Economic Growth and Tax Relief Reconciliation Act of 2001 that apply to retirement plans and certain trusts.	Chapter 34 of 2002
SB 682	Perata	Support (Board Action: 9/4/01)	Would limit the immunity that firearms manufacturers have from product liability lawsuits in conformance with a recent California Supreme Court ruling. The immunity would extend only to cases brought under a theory that the firearm was capable of causing serious injury or death. However, the bill would preserve all other types of claims against firearms manufacturers, including negligence in product liability actions alleging manufacturing or design defects, and public and private nuisance.	Chapter 913 of 2002

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 736	Poochigian, Burton	Support (Board Memo: 9/7/01)	Would repeal the July 1, 2002 sunset date for the Schiff-Cardenas Crime Prevention Act of 2000. This act appropriated funding for the Citizens Option for Public Safety Program and various juvenile justice programs. The FY 2001-02 State Budget included \$232.6 million to continue funding for these programs.	Chapter 475 of 2001
SB 760	Murray	Support (Board Memo: 6/6/01)	Would appropriate \$1 million to the Office of Statewide Health Planning and Development (OSHPD) to establish the California Health Service Corps Loan Repayment Program to repay education loans for health professionals who agree to work in medically underserved areas. This measure requires OSHPD to administer this loan program using the same general guidelines applicable to the Federal National Health Service Corps State Loan Repayment Program except that 1) no matching funds would be required from the practice site areas, and 2) practice sites would be required to include areas where there is a shortage of primary care family physicians.	Vetoed
SB 785	Ortiz	Support (Board Memo: 3/29/01)	Would make conforming changes to the Healthy Families Program to implement the expansion of the program to cover parents. This bill would become effective only if the 2001 Omnibus Health Budget Trailer Bill (AB 430, Cardenas) is enacted.	Died in Assembly Appropriations
SB 833	Ortiz	Support (Board Memo: 3/29/01)	Would expand Medi-Cal eligibility by allowing more two-parent families to enroll. Would base the definition of unemployment for purposes of Medi-Cal eligibility on the income of the principal wage earner only, and increase income eligibility to 200 percent of the Federal poverty level.	Vetoed
SB 841	Alpert	Support (Board Memo: 3/27/01)	Would require the State Department of Social Services (SDSS) to provide technical assistance and training to help counties establish Early Start to Emancipation programs similar to the Los Angeles County program that provides services to foster youth as they transition from middle school to high school. Appropriates \$125,000 to the SDSS for purposes of the bill.	Chapter 694 of 2001
SB 884	Escutia	Support (Board Action: 6/19/01)	Would permit a county to seek approval from the State Department of Social Services (SDSS) to grant criminal records exemptions to relatives, guardians, and other persons who are not licensed foster care parents, who have been convicted of a crime other than a minor traffic violation, and with whom the county wishes to place a child who has been removed from his/her home. Requires a county with exemption authority to establish a process for individual evaluation of exemptions using State standards and to have substantial and convincing evidence that the exempted person will not pose a risk of harm to the child. Persons convicted of certain crimes are ineligible for the exemption. This measure contains an urgency clause.	Chapter 445 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 885	Polanco	County-Sponsored	Would appropriate \$3 million for allocation to the Los Angeles County College of Nursing and Allied Health for fiscal year 2001-02, as if it were a community college district.	Died in Senate Education
SB 910	Dunn	Oppose (Board Memo: 6/7/02)	NOW: Would require local agencies to facilitate additional public participation when adopting a housing element and authorizes the State Department of Housing and Community Development to assess a fine on local jurisdictions if it finds that the local housing element is not in substantial compliance with State law.	Died in Assembly Housing and Community Development
		Oppose (Board Action: 6/5/01)	PREVIOUSLY: Would have required local agencies to adopt a compliant housing element or be penalized by a fine and/or the loss of funding for local streets and highways.	
SB 919	Polanco	No Position	NOW: Was recently amended so that the bill is consistent with the MTA's current practice which is to comply with local jurisdiction permit requirements.	Chapter 928 of 2001
		Oppose (Board Action: 6/5/01)	PREVIOUSLY: Would have removed from the Los Angeles County Metropolitan Transportation Authority (MTA) the authority to regulate the placement and maintenance of advertising displays greater than 10 feet or placing such a display on any land owned or operated by MTA, including its rights-of-way, unless the display complies with the Federal Highway Beautification Act of 1965, the Outdoor Advertising Act or certain local regulatory agency's rules or policies.	
SB 924	Alpert	Oppose (Board Memo: 5/3/01)	Would require State and local agencies to compare the cost of providing architectural and engineering services in-house to the cost of contracting out those services. Also, for non-State Transportation Improvement Program projects, this measure allows local agencies to adopt other procedures for awarding contracts.	Died in Senate Governmental Organization
SB 928	Romero	Support and Amend to include in the bill language to ensure an equitable distribution of funds (Board Action: 6/25/02)	Would establish a five-cent fee per alcoholic beverage distributed in the State of California that will provide a steady stream of funding to offset the costs of providing emergency and trauma hospital care to victims of alcohol-related trauma. The provisions of this bill were included in SB 248 (Romero).	Died in Assembly Health
SB 963	Vincent	County-Sponsored	Would broaden the circumstances under which probation officers and social workers can access school records.	Vetoed

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 975	Alarcon	Oppose (Board Action: 8/28/01)	Would increase rehabilitation and development costs and result in an immediate cost of approximately \$80 million on projects pending before the Community Development Commission by expanding the definitions of public work and public funds to include more projects under the prevailing wage requirement.	Chapter 938 of 2001
SB 993	Figueroa	No Position	NOW: Would require the State Department of Health Services to consult with the Board of Registered Nursing in developing regulations that affect the scope and practice of a nurse-midwife.	Chapter 764 of 2002
		Support (Board Memo: 5/11/01)	PREVIOUSLY: Would have: 1) raised the standard and maximum reimbursement rates for specified child care providers; 2) expanded income eligibility for State preschool programs; and 3) subjected funding to the Superintendent of Public Instruction for new duties imposed by the bill to an appropriation in the Budget Act.	
SB 1018	Perata	Oppose (Board Memo: 9/13/01)	Would mandate that numerous local government attorneys, including attorneys employed by District Attorneys, Public Defenders and Family Support Agencies, be placed in safety retirement.	Vetoed
SB 1027	Romero	Oppose Unless Amended to exempt counties (Board Memo: 4/25/01)	Would prohibit compulsory overtime for nurses and other health care employees, including those employed by a public entity, after the conclusion of their daily work schedule and after 40 hours in a workweek, except during a state of emergency or catastrophic event.	Died on Senate Inactive File
SB 1029	Perata	Oppose (Board Action: 7/31/01)	Would override local control of water rates.	Died in Senate Appropriations
SB 1045	Polanco	Support (Board Action: 10/9/01)	Would declare legislative intent to reaffirm diversity as a public policy goal in contracting and employment by State and local agencies effective January 1, 2003 and would include recruitment activities for the economically disadvantaged.	Chapter 1165 of 2002
SB 1059	Perata, Ortiz	Support (Board Memo: 9/5/01)	Would establish the California Council on Mentally Ill Offenders within the Youth and Adult Correctional Agency to investigate and promote cost-effective approaches to meet the long-term needs of adults and juveniles with mental disorders who are likely to become offenders or have a history of offending. The Governor deleted the \$100,000 appropriation for purposes of the bill and directed affected State agencies to identify existing funds that could be used to support this program.	Chapter 860 of 2001

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 1137	Ortiz	No Position	NOW: Pertains only to three redevelopment projects in the City of Sacramento.	Died in Senate Appropriations
		Oppose (Board Memo: 4/13/01)	PREVIOUSLY: Would have amended the existing 10 year limited-powers period in which redevelopment agencies may receive tax increment revenues and would have allowed redevelopment agencies to receive tax increment revenues for an additional 10 years after the final redevelopment plan for a project area. Since redevelopment agencies frequently amend their project areas, SB 1137 could have potentially allowed redevelopment agencies to receive tax increment revenues indefinitely.	
SB 1156	Burton	No Position	NOW: Was recently amended to provide a mediation procedure applicable to specified agricultural employers and a labor organization certified as the exclusive bargaining agent of a bargaining unit of agricultural employees.	Chapter 1145 of 2002
		Oppose (Board Memo: 1/25/02)	PREVIOUSLY: Would have increased workers' compensation benefits by changing the weekly wage to determine temporary total benefits and increased the present weekly temporary and total disability benefit, which would have cost the County approximately \$68.5 million per year.	
SB 1162	Polanco	Support (Board Action: 5/14/02)	NOW: Would request the UC Regents to include the Charles R. Drew/UCLA Undergraduate Medical Education Program in the University's current system-wide medical education program assessment.	Chapter 1140 of 2002
		Support (Board Action: 6/12/01)	PREVIOUSLY: Would have declared the intent of the Legislature that, upon provision of an appropriation in the State Budget, the County shall develop a plan, in conjunction with the University of Southern California, for a biotechnology research park around the LAC+USC Medical Center campus.	
SB 1174	Polanco	Support (Board Memo: 4/23/01)	Would allow County paramedics to perform certain clinical laboratory tests or examinations without the overall supervision and administration of a laboratory director who is a licensed physician or surgeon.	Chapter 640 of 2001
SB 1176	Machado and Burton	No Position	NOW: Was recently amended to remove probation officers from the bill.	Vetoed
		Oppose (Board Action: 6/12/01)	PREVIOUSLY: Would have expanded the categories of safety members who would be eligible to claim that cancer is job-related for workers' compensation purposes to include probation officers and deputy probation officers.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 1215	Escutia	No Position	NOW: The bill was recently amended to address appointment to the Occupational Safety and Health Standards Board within the Department of Industrial Relations.	Vetoed
	Romero	Oppose (Board Action: 6/12/01)	PREVIOUSLY: Would have mandated that Los Angeles County Safety Police, Park Police and Park Rangers be included in the safety retirement plan.	
SB 1222	Romero	Oppose (Board Memo: 6/21/01)	Would provide a presumption to certain members of the Department of Corrections, the Youth Authority and to County Probation Officers that the term "injury" includes heart trouble, pneumonia, tuberculosis, and meningitis for workers' compensation purposes.	Chapter 835 of 2001
SB 1227	Burton	Support (Board Memo: 4/19/02)	Would enact the Housing and Emergency Shelter Trust Fund Act of 2002, which would authorize the sale of \$2.1 billion in State bonds for State housing programs if approved by the voters on the November 5, 2002 ballot. The bonds would fund existing housing programs including Multifamily Housing, Farmworker Housing Grants, Emergency Housing Assistance, Supportive Housing, CalHome, California Homebuyer Downpayment Assistance, Housing Rehabilitation Loan Fund and the Jobs Housing Improvement Account.	Chapter 26 of 2002
SB 1276	Speier	Support (Board Memo: 1/31/02)	Would make registration for the Selective Service System through the DMV an option that can be exercised by the applicant. The application must include the Selective Service System's registration rules and a list of possible consequences for not registering and inform applicants that receipt of a driver's license or identification card is not dependent on the applicant agreeing to have their information transmitted to the Selective Service System.	Died in Senate Appropriations
SB 1287	Alarcon	Support (Board Action: 7/2/02)	Would increase penalties for acts of terrorism and expands the definition of weapons of mass destruction and provides that a perpetrator who employs a weapon of mass destruction would be subject to life in State prison without the possibility of parole if the activity causes the death of a human being.	Chapter 611 of 2002
SB 1342	Morrow	Support and Amend to delete paragraph 6 from the bill and replace with appropriate language (Board Action: 4/30/02)	Would provide that municipal storm water permits issued by Regional Water Quality Control Boards must be consistent with the "maximum extent practicable" standard set forth in the Federal Clean Water Act to assure consistency between the Federal Clean Water Act and the State Porter-Cologne Water Quality Act. This measure would bring California's discharge requirements into conformance with the intent of the Federal Clean Water Act.	Died in Senate Environmental Quality

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 1346	Kuehl	Support (Board Memo: 5/1/02)	Would authorize the California Integrated Waste Management Board to expand the State's tire recycling program by providing grants to local agencies of \$2.50 per ton of rubberized asphalt concrete or emulsion aggregate slurry used on a road reconstruction project.	Chapter 671 of 2002
SB 1351	Chesbro	Oppose (Board Memo: 2/21/02)	Would mandate disability benefits under Section 4850 of the Labor Code for County welfare fraud investigators, entitling them to public safety workers' compensation benefits.	Vetoed
SB 1381	Kuehl	Support (Board Action: 7/16/02)	Would change the status of the Santa Monica Bay Restoration Project, renaming it the Santa Monica Bay Restoration Commission and giving the Commission the ability to coordinate all State efforts related to the protection, restoration and enhancement of the Santa Monica Bay and its watershed.	Chapter 598 of 2002
SB 1396	Dunn	Support (Board Memo: 6/7/02)	Would require a local sheriff and presiding judge to develop a court security plan and enter into a Memorandum of Understanding, specifying the level and cost of court security services, as well as the terms of payment. It would also permit the court to contract for those services that are consistent with the contract law enforcement template which has been complied by the California State Sheriffs' Association and the Judicial Council. Allowable costs would include lieutenants and captains who provide court security.	Chapter 1010 of 2002
SB 1401	Vincent	Support (Board Memo: 5/31/02)	Would indefinitely extend the existing authority to use blood platelets obtained from paid donors through the hemapheresis process and would also require the administrator, medical director, or blood bank director of a hospital to annually sign and file with the State Department of Health Services a declaration regarding the sufficiency of apheresis platelet supplies obtained from volunteers.	Died in Senate Health and Human Services
SB 1427	Escutia and Speier	Support (Board Memo: 5/1/02)	Would make the low-cost automobile insurance pilot programs permanent for the County of Los Angeles and the City and County of San Francisco by repealing the January 2004 sunset date. The bill would also maintain the current annual insurance rate in Los Angeles from \$450 to \$347, and would increase the maximum qualifying household income from 150 percent to 250 percent of the Federal poverty level for good drivers 19 years of age or older who have been licensed for three years. SB 180 (Speier), which was tied to this bill and signed by the Governor, extends the exemption for proof of auto insurance in these areas until 2007.	Chapter 742 of 2002

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 1449	Vasconcellos	Support (Board Memo: 8/29/02)	Would clarify some of the provisions of Proposition 36, the Substance Abuse Treatment and Crime Prevention Act of 2000 and allow Prop 36 funds to be used by clients for public transportation to and from drug treatment and assessment, vocational training, family counseling, literacy training, and any other ancillary service deemed necessary by the treatment provider and ordered by the court.	Died on Assembly Floor
SB 1481	Polanco	Oppose (Board Memo: 4/25/02 and Board Action: 4/30/02)	Would require each county board of supervisors to bear the cost of medical and mental health care services and expenses of inmates sentenced to the county jail, out of the county treasury, thereby prohibiting the use of inmate welfare funds to pay required county expenses such as meals, clothing, housing, or medical services or expenses, except to augment those required county expenses as determined by the sheriff to be in the best interests of inmates.	Chapter 146 of 2002
SB 1506	Romero	Oppose (Board Memo: 2/27/02)	Would amend the Meyers-Milias-Brown Act and the Revenue and Taxation Code to withhold the State's Vehicle License Fee (VLF) backfill reimbursement to the County of Los Angeles if more than 50 percent of the recognized employee organizations have been at a bargaining impasse for more than 30 days.	Died in Senate Local Government
SB 1520	Ortiz	Support (Board Memo: 5/3/02)	NOW: Would prohibit the sale of carbonated beverages on public school grounds starting with elementary schools in 2004, middle schools in 2005 and high schools in 2007.	Failed passage in Senate Education
		Support (Board Action: 4/16/02)	PREVIOUSLY: Would have imposed a surtax upon every distributor, manufacturer or wholesale dealer of soda and other sweetened drinks which would have raised an estimated \$342 million to help fund efforts to fight youth obesity.	
SB 1521	Kuehl	Oppose Unless Amended to increase local government representation on the advisory council by one to give local governments a majority, as well as other amendments (Board Memo: 5/23/02)	NOW: Was recently amended to: 1) require the State Office of Planning and Research (OPR) to develop and periodically review model planning practices and policies that emphasize land uses that are economically, socially, and environmentally sustainable; and 2) allow the League of California Cities and the California State Association of Counties to submit nominations for one rural and two urban representatives from their respective organizations for appointment to a Planning Advisory and Assistance Council.	Died in Assembly Appropriations
		Oppose (Board Action: 4/23/02)	PREVIOUSLY: Would have required the OPR to develop a State model zoning ordinance that emphasizes generic, State land use policies rather than local use policies.	

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 1548	Alarcon	Support (Board Memo: 6/27/02)	Would require the State Department of Education to develop diagnostic tools to determine whether students are mastering the content standards of the visual and performing arts curricula.	Died in Assembly Appropriations
SB 1567	Chesbro	Support (Board Memo: 5/17/02)	Would require the State Department of Health Services to exercise its Federal option to simplify eligibility for Medi-Cal by eliminating the Medi-Cal asset test for parents, caretaker relatives, and children up to the age of 21 with incomes at or below 200 percent of the Federal poverty level, to the extent that Federal financial participation is available. It would also require the Department to seek a Federal waiver for any eligible group for which there is not currently a Federal option to eliminate the asset test.	Died in Senate Appropriations
SB 1609	Soto	Oppose (Board Memo: 4/3/02 and 4/9/02)	Would mandate that development of a blood-borne infectious disease by county health care workers is presumed to be contracted on the job, making them eligible for workers' compensation disability benefits and disability retirement. Was recently amended to include various nurse categories, laboratory technologists, dental hygienists, physicians, janitors, sanitation or house keeper workers in the definition of health care workers.	Vetoed
SB 1618	Kuehl	Support (Board Action: 7/2/02)	Would increase the portion of the marriage license fee for domestic violence shelters from \$23 to \$33 and requires \$6 of that amount to be allocated to develop and expand shelters for underserved areas and populations.	Died on Assembly Floor
SB 1619	Romero, Sher	Support (Board Memo: 8/30/02)	Would require the California Integrated Waste Management Board to provide grants to local governments to establish and maintain local programs for diversion, disposal or recycling of cathode ray tubes.	Vetoed
SB 1647	Perata	Support (Board Memo: 8/30/02)	Would enact the California Economic Stimulus and Public Infrastructure Security and Investment Bond Act which would authorize, upon approval by the voters, the issuance of \$1.045 billion in general obligation bonds for improvements in local infrastructure, seaport and airport infrastructure, air quality, water infrastructure, water safety and water conservation.	Died on Senate Floor
SB 1688	Margett	Support (Board Memo: 4/24/02)	Would create a supplemental funding mechanism for firefighting services and require the State Controller to distribute the funds based on population to cities, districts, and counties, with each city, district and county receiving a minimum of \$100,000.	Died in Senate Appropriations
SB 1705	Burton	Oppose (Board Memo: 4/9/02)	Would expand the definition of physician for purposes of evaluating workers' compensation medical/disability issues to include acupuncturists.	Died in Assembly Insurance

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 1732	Escutia	Support (Board Memo: 8/30/02)	Would enact the recommendations of the State Task Force on Court Facilities to provide for the transfer of trial court facilities to the State over three years. This measure creates a process to manage the transfer, raises penalty assessments and parking offense penalties and creates a civil fee surcharge and deposits the proceeds in a fund to be used for the acquisition, rehabilitation or construction of court facilities.	Chapter 1082 of 2002
SB 1766	Ortiz	Support (Board Memo: 4/9/02)	Would require each retail sale of a tobacco product be a vendor-assisted, face-to-face sale. A face-to-face-sale does not include any transaction conducted by mail order, the Internet, telephone, or any other anonymous transaction in which the buyer is not in the seller's physical presence.	Chapter 686 of 2002
SB 1793	Burton and Karnette	No Position	NOW: This measure no longer eliminates the Youthful Offender Parole Board but requires the juvenile court to set an initial parole consideration date for wards committed to the California Youth Authority, as well as the maximum term of physical confinement.	Vetoed
		Oppose Unless Amended to create an oversight committee (consisting of local probation departments and judiciary representatives) to monitor CYA's performance (Board Memo: 5/10/02)	PREVIOUSLY: Would have enacted the Youth Authority Accountability Reform Act of 2002 which would have eliminated the Youthful Offender Parole Board (Board) and divided its responsibilities between the Juvenile Courts and local probation departments. Under existing law, the Board considers and makes decisions regarding eligibility for parole, the granting of parole, the conditions of parole, and revocation of parole for wards that have been committed to the California Youth Authority (CYA).	
SB 1809	Machado	Support (Board Action: 7/2/02)	Would create a new license category for Medical Laboratory Technicians (MLTs) and authorizes MLTs to perform and report the results of clinical laboratory tests or examinations classified as waived or of moderate complexity, while under the supervision of a physician and surgeon or other appropriately licensed staff.	Chapter 356 of 2002
SB 1828	Burton	Oppose Unless Amended to exclude any project on publicly owned land (Board Memo: 8/19/02)	Would amend the California Environmental Quality Act (CEQA) by changing the Environmental Impact Review (EIR)/Negative Declaration processes and local permitting processes to subject a project with a potentially adverse impact on a Native American tribe's sacred site to additional conditions and approvals.	Vetoed
SB 1911	Ortiz	Support (Board Memo: 9/18/02)	Would require the State Department of Mental Health, if sufficient funds are provided, to analyze the benefits of applying for a Federal Medicaid waiver or adopting a State option to provide home and community based services to severely mentally ill children who would otherwise be hospitalized.	Chapter 887 of 2002

<u>BILL</u>	<u>AUTHOR</u>	<u>POSITION</u>	<u>SUBJECT</u>	<u>STATUS</u>
SB 1916	Figueroa	Oppose Unless Amended to exempt local governments already subject to NPDES permits from the requirement to add a non-point source pollution prevention element to its LCP (Board Memo: 7/25/02)	Would require local governments to include a non-point source pollution prevention element in any Local Coastal Program (LCP), or amendment to an LCP, which requires Coastal Commission certification. A non-point source is a source that is not at a fixed location, such as streets and highways, as opposed to a factory or a construction site. The bill would allow a local government that is subject to a National Pollutant Discharge Elimination System (NPDES) permit to satisfy the requirement of the new element for those land uses and project development categories covered by the permit which would require duplication of work.	Died on Assembly Inactive File
SB 1956	Polanco	County-Sponsored	Would streamline and simplify the notice statutes for child dependency hearings.	Chapter 416 of 2002
SB 1975	Johnson	Oppose (Board Action: 7/2/02)	Would, beginning in 2004, mandate that there be three Statewide elections during Presidential election years (March, June and November), and two elections in Gubernatorial years (June and November).	Vetoed
SB 2057	O'Connell	Support (Board Action: 3/26/02)	Would make a person guilty of a misdemeanor who knowingly makes a false report to any agency or agency official responsible for conducting search and rescue in the State or guilty of a felony if the false report causes great bodily injury. Was amended to include technical language to clarify that a perpetrator is guilty of a felony when he knows that a responder is likely to suffer death or great bodily injury.	Chapter 521 of 2002
SB 2082	Bowen	Support (Board Action: 5/14/02)	Would require an advertisement for the sale of cigarettes on the Internet to disclose to California buyers that the buyer is responsible for paying all California excise and use taxes, the amount of those taxes, and that the seller is required to file a copy of the invoice for each shipment of cigarettes made into the State with the California State Board of Equalization.	Died in Assembly Revenue and Taxation
SJR 47	Soto, Polanco	Oppose Unless Amended to prohibit newly recognized tribes from opening or operating any casinos on non-reservation trust land (Board Action: 6/18/02)	Would support the enactment of H.R. 3824 (Bono, R-CA), which would grant Federal recognition to the Gabrieleno Band of Mission Indians. Federal recognition would make these tribes eligible for Federal services and also provide them with quasi-sovereign status which exempts their tribal lands from most state and local laws and regulations and allows for the operation of casino gambling.	Died in Senate Governmental Organization
